Circuit – This class will rotate through stations that will challenge cardio and strength. This class is designed for the intermediate/advanced fitness levels.

Core Strength – This strength class will focus on the core of the body that consists of muscles between the shoulders & hips. Gaining a stronger foundation!

Flex/Strength – This class works on strength, balance and flexibility. Great for seniors, beginners and injury rehab members.

H.I.I.T.-High Intensity Interval Training that improves aerobic and anaerobic capacity, increases metabolic rate and reduction in training time. No dancing in this class just an awesome athletic style workout. Great class for everyone!

Are you ready for the ultimate challenge? All you need is the desire to dig deep and push past your limits. In INSANITY®, uses a method called Max Interval Training. It's not your typical interval workout. You'll do cardio and plyometric drills with intervals of strength, power, resistance, and core training. It all happens in long bursts of maximum-intensity exercises with short periods of rest so you can burn major calories.

Kettlebells- Kettlebell workouts are intended to increase strength, endurance, agility and balance, challenging both the muscular and cardiovascular system with dynamic, total-body movements.

This class may be more intense for the average person if you are new to Kettlebells please come early to class and talk to the instructor.

Pilates - Pilates improves flexibility, builds strength and develops control and endurance in the whole human body. It puts emphasis on alignment, breathing, developing a strong powerhouse, and improving coordination and balance.

The POUND® workout fuses cardio interval training with drumming to provide a challenging, heart-pumping workout.

SilverSneakers® CLASSIC- A class offered to Active Older Adults geared toward increasing strength and range of motion in daily exercises. Hand held weights, stretch bands and balls are used in seated and standing exercises with a chair for support.

SilverSneakers® CIRCUIT- Combine fun and fitness to increase your cardiovascular and muscular endurance power with a standing circuit workout. Upper body strength work using hand-held weights, elastic tubing with handles, and a ball is alternated with non-impact aerobic choreography. A chair is offered for support, head-to-toe stretching, and a complete relaxation in a comfortable position.

SilverSneakers® YOGA- This class will move your body through a complete series of seated and standing yoga poses. Chair support is offered to safely perform a variety of postures designed to increase flexibility, balance and range of motion. Breathing exercises and final relaxation will promote stress reduction and mental clarity.

Step - Do you love advanced step choreography? If so, this is the class for YOU! Come join this nonstop step party and enjoy being challenged physically as well as mentally. Previous step experience is recommended.

Step/Strength- High energy step with barbell strength the last 15 minutes of class.
