

## Itasca County Family YMCA Youth Center

The Itasca County Family YMCA provides a Youth Center for youth in grades 2nd through 9th at no cost to the participant. The Youth Center offers a place to relax with friends in a safe, supervised environment. We have been able to offer the Youth Center at no cost due to grant funding, vending income, donations and YMCA membership.

**When youth come to the YMCA, they must be in a program or, if they are a member, using the Y facility.**

In order to continue to provide a safe, healthy Youth Center, and to assist in securing grant funding we need to have contact information and signed Code of Conduct information for all youth on file.
