 Breaststroke kick, 15 yd.	 Breaststroke 25 yd.	 Breaststroke open turn, 50 yd.
 Butterfly kick, 15 yd.	 Butterfly simultaneous arm action & kick, 15 yd.	 Butterfly 25 yd.

Communication: It is very important to us at the YMCA to have good communication with all who participate in our programs. Please be sure to let us know of any questions or concerns you may have. We are happy to help. Please try and ask questions or bring up concerns to the instructor before class, after class or by email.

Note: Please use the locker rooms to enter pool area (*The Emergency door is only to be used for emergencies and certain YMCA staff*)

Out of respect for the pool area, please remove your shoes prior to leaving the locker room. Please no shoes in the shower rooms or on the pool deck.

HOT TUB RULES: It is highly recommended that children under the age of 5 years old should avoid spending time in the hot tub. Children 6+ years can sit in the hot tub only if they are accompanied with an adult who is also enjoying the hot tub. The average temp of hot tub is 103 degrees.

NO child under 12 years can be left unattended at any time in the hot tub.

Please limit hot tub use to 6 minutes or less or one minute per age of child is highly encouraged.

Parents are welcome to view lessons. Please sit behind the whirlpool or out in our lobby viewing area. This is to allow proper sightlines for our lifeguards and to give the children a little independence.

Our ratio of Instructor to child is approximately 1:4 for level 1-2, 1:5 for level 3 and 1:6 for level 4-6.

BATHROOM POLICY:

Parents please have your child use the bathroom prior to getting into the pool. If your child needs to use the bathroom during lessons, parents must take them. Swim instructors are not allowed to bring swimmers to the bathroom and leave other swimmers unattended. Thank you for supporting us with this request.

Thank you and if you have questions or concerns contact:
