## DO WE HAVE TO BUY A SEA TURTLE TEAM SUIT?

We would love to see all swimmers in team suits at swim meets because it makes all the swimmers feel part of the team! Team suits should be saved for swim meets. We do recommend you still have a separate practice suit (any swimsuit will work) for your swimmer as daily practice is rough on the life of a suit. Polyester swimsuits work well for practice suits. Also, last year's team suit makes for a great practice suit. We have team swim caps and goggles available for purchase at the Y. Swim caps keep hair out of the eyes and face – a must for meets and recommended for practice.
