- Check In/Drop Off area remains the same. **Pick up will be around the outside of the building on the south side of the Kid Zone room.** (This is an experiment for the remaining weeks of summer/early fall. We are trying to avoid any areas of congestion.)
- Kid Zone staff are required to wear masks. If your children ages 2+ are accustomed to wearing masks, they may certainly do so. This is NOT a requirement for children.
- Children must wash hands before going to play.
- No snack time or toys from home. Sippy cups with water will continue to be provided; sippy cups will be disinfected at the end each day per health department guidelines.
- Due to recommendations from our insurance company, Kid Zone staff will no longer change diapers. Please make sure your children are freshly diapered before dropping them in Kid Zone. Parents will be paged if a diaper change is necessary.
- As our capacity will be set at 12 children, we will have 1 ¼ hour usage limit per day. Reservations required.
